§ 901.45 Indicator #8, security.

This indicator evaluates the PHAs performance in tracking crime related problems in their developments, reporting incidence of crime to local law enforcement agencies, the adoption and implementation of tough applicant screening and resident eviction policies and procedures, and, as applicable, PHA performance under any HUD drug prevention or crime reduction grant(s). PHAs can get credit for performance under non-HUD funded programs if they choose to be assessed for these programs. PHAs with fewer than 250 units will not be assessed under this indicator unless they request to be assessed at the time of PHMAP certification submission. This indicator has a weight of x1.
